

Refer a Friend to Claggett Camp

Current camp families are our main source for new campers, because word of mouth is such a powerful recommendation! To recognize this, we offer a terrific discount for every camper introduced by a current camp family. Discounts are issued to the camper for referred campers when the friend sends in full payment at least 2 weeks prior to camp. To avoid confusion, we only honor a referral sent to us in writing and the referral must be prior to our first contact with the prospective family.

For Summer 2011 \$100 Discount

Terms & Conditions

- Referral must be noted by new family at 1st contact with camp and referring name listed on new camper registration form.
- The discount will be credited to the camper's registration when the friend's camp fee is paid in full 2 weeks prior to camp. No retroactive referrals.
