

2026 CAMP RATE AND TIER INFORMATION

In recognition of the reality that paying for the true cost of camp may be outside of your family's budget, Claggett is glad to offer three Tiered options as you go through the Camper Application process.

The **Comprehensive Tier** is what it costs to run camp for one camper.

The **Core Tier** has a built in scholarship of between \$90 and \$115, depending on the program.

The **Supported Tier** has a built in scholarship of between \$210 and \$290, depending on the program.
